## Welcome to the 5<sup>th</sup> Joint Meeting of the Malaysian Endodontic Society & Society of Endodontists Singapore

Since 1998, the biennial joint meeting of the MES and the SES have seen a growing number of endodontic enthusiasts from various countries in Asia getting together to exchange ideas and knowledge. A strong sense of camaraderie have also developed. As a result, the organising committee was inspired towards making this a truly regional meeting. For a start, we have lined up a list of prominent speakers from around Asia and hope to build upon this.

We hope to see you in Kuala Lumpur!
