INSTRUCTIONS TO AUTHORS

General information

1. Submission deadline is 31ST December 2019. Submission thereafter will NOT BE ACCEPTED.

2. Notification of conditional acceptance will be given to the participants by 20th January 2020.

3. Full confirmation will be given after all the necessary corrections have been done and authors have shown proof of registration.

4. Abstracts should report on ORIGINAL research work that has NOT been previously presented or published. Please be informed also that the committee has an archived database of previously submitted abstracts for all its conference to date. Any work with human or animal subject must comply with the guiding principles for the experimental procedures as mentioned in the Declaration of Helsinki of the World Medical Association. Case reports are not accepted.

5. One presenter can present ONLY ONE paper, but participation as a co-author in other papers is permissible.

6. Participants are required to declare if they are joining the open, or undergraduate or postgraduate student category.

Abstract Guidelines

1. All abstracts must be written in English following the standard format as per Appendix II.

2. The abstract must be in Microsoft Word format, text (left aligned, single line spacing) and in English. Use Arial size 12 font.

3. Submitted abstracts will be reviewed according to the Oral/Poster Presentation Scientific Committee’s rulings and will be evaluated in terms of their appropriateness and overall quality. Abstracts will be assessed on their acceptability and eligibility as poster presentations in a constructive and educational way.

4. Any necessary communication will be between the committee and the presenting author.
5. **Submission** is strictly *via online*.
